Additional Hunters and Days are available directly through the Outfitter.

Due to the migration patterns of the Sandhill Cranes, we recommend booking your dates as soon as possible.

Prime season for Cranes are during the month of November unless any non-typical weather patterns come through.

Cranes are very weather dependent and while we do our best to ensure a quality hunt, if cranes are not available due to natural conditions during the dates booked, this hunt will default to a duck and goose hunt.

Hunts generally take place with 4-8 hunters, so your party may be put with another group.

Private Party Hunts are 8+ and can be set up directly through the Outfitter.

*If you have to cancel your hunt within 30 days of the hunt date,
there will be a \$500 re-booking fee.*
