It is the responsibility of the traveler to verify that all necessary visas, passport, and vaccinations required are current and in place prior to travel. A full and valid passport is required for all persons traveling to any of the destinations outside of the US. Most international destinations require a passport to be valid for at least six months beyond the scheduled end of your itinerary.

Vendor (DMAS) offers their goods and services provided "AS IS" and "AS AVAILABLE".

All US Holidays may be restricted, but if available may have a surcharge to book.
